

# 2019-2020 STRATTON SCHOOL SUPPLIES

Welcome back to school!

In an effort to streamline the back to school process, the Stratton PTO will bulk purchase most of the school supplies for grades K-5, including the Supported Learning Center. This is **NOT** designed to be a fundraiser for the PTO – we are charging families what we have paid, no more. We have made considerable effort to research the best prices for the specific items selected by our teachers.

Instead of bringing in a grocery bag full of stuff on the first day of school, just send a couple of items specific for your child's new classroom and a check or cash. **See the back of this page for the specific items for each classroom.**

**The cost shown under the family column is per student and is payable to Stratton PTO by check or cash on the first day of school.** You can also pay online via our Paypal link found at [www.strattonpto.org](http://www.strattonpto.org). Click "Pay for supplies" on the main page.

The PTO is able to support scholarship purchasing of materials listed under the column on the next page shown as *PTO Provides*. Simply check off the box marked *Scholarship* on the attached form, and submit in an envelope to your classroom teacher. If you need a scholarship for items listed under the heading *Families Provide* please contact Mr. Hanna or Mrs. Henry.

Supplies for the SLC are also included in this bulk purchase so if your child has SLC as part of their programming, please remit payment for their grade and this will cover the supplies for their SLC classroom and their general education classroom.

Please return this slip along with cash or a check payable to Stratton PTO and give to your child's teacher on the first day of school.

I have paid online via Paypal.
